INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission has caused the following entry to be made:

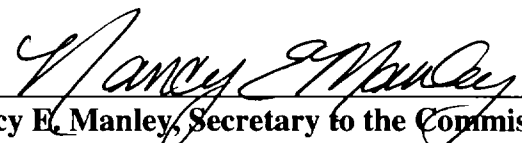

On April 17, 2003, AT&T Communications of Indiana, GP and TCG Indianapolis ("AT&T") filed its "Appearance And Request For Enlargement Of Time To File Answer" in the above matter.

The Presiding Administrative Law Judge, being sufficiently advised, finds that the same should be granted, and AT&T is granted an indefinite extension of time within which to refile its answer in this matter, pending a decision by the Commission's Consumer Affairs Division, or further action of the Presiding Officer.

IT IS SO ORDERED.

Thomas Cobb, Administrative Law Judge

Dated: 4/22/03

Nancy E. Manley, Secretary to the Commission
